THANK YOU!

After preaching to them, he decided to join the Franciscans. At the age of 27 St. Anthony preached for 9 years in France, Italy, and Sicily. St. Anthony is usually depicted holding the child Jesus. This is because on night St. Anthony was staying with a friend in Padua, Italy and his friend saw a glow of light coming from the door of St. Anthony's room. When his friend looked to see what it was, St. Anthony was having a mystical experience of holding the child Jesus. St. Anthony died in 1231 and was then canonized a saint in 1232.

Almighty God, you have given Saint Anthony to your people as an outstanding preacher and a ready helper in time of need. With his assistance may we follow the gospel of Christ and know the help of your grace in every difficulty. Amen.

LATIN MASS AT ST. PAT'S

The Parish Council has requested a Latin Mass here at St. Patrick Church. On **March 5th**, we will be celebrating a Low Mass. This is possibly the first Latin Mass celebrated at St. Patrick since the 1960's! A couple Q&A's:

Will you know what's going on? Yes! The Latin Mass follows the same basic structure as the English Mass (Greeting, Penitential, Opening Prayer, Readings, (opt. homily), preparation of the altar, Eucharistic Prayer, Communion, and the Closing Prayer). There are additional prayers at the beginning (Prayers at the Foot of the Altar) and at the End (an extra Gospel reading and the Leonine Prayers).

What about the Latin? There will be books available with side-by-side Latin and English. You can read along in English if you so choose. The readings will be in Latin and then in English.

Isn't Latin moving us backwards? No-Latin Masses across the country are filled with young people and families. The younger generation craves the tradition and beauty of the Latin Mass. In a secular world, the Latin Mass fills a void in peoples' hearts. Latin Masses are growing quickly.

Why would someone want to go to a Latin Mass? To experience the Mass that was passed on by our ancestors. This is the Mass that most of our favorite saints experienced. Connect to our Catholic heritage!

The Low Mass allows for a different type of prayer. There is more silence and time to reflect on the sacrifice of the Mass. Many people love the silence instantly, while others appreciate it more and more as they go to the Latin Mass more often.

Don't miss this opportunity! There will be some instructions at 6:10 PM with Mass starting at 6:15.

St. Anthony of Padua

The statue of St. Anthony is located on the left side altar in St. Patrick's Church. St. Anthony's feast day is on June 13th and is the patron saint of finding lost things. St. Anthony was born in 1195 in Portugal. He was known for his preaching, as he was inspired by the Franciscans that went to preach the Gospel to the Moors in Africa. St. Anthony at the age of 15 became a Portuguese friar. In 1221 St. Anthony, out of obedience, preached to a group of Fran-
