**Marriage, Youth & Family News**

It's difficult to hear "do not worry" in the United States in the twenty-first century. This teaching of Jesus sounds just as radical to us today as it must have to the disciples of the first century. But we can be loyal to God, and we can trust in God. Wealth is something that can distract us from loving God. But many habits can distract too. Jesus challenges the disciples and us to have confidence in the love and care of God. Matt 6: 24-33 (Celebrating Sunday for Catholic Families 2016-17)
