Holy Trinity The Holy Trinity is one of the greatest mysteries of the Catholic faith, and is an attempt to describe the mysterious nature of God. 'The mystery of the Most Holy Trinity is the central mystery of Christian faith and life' (**Catechism of the Catholic Church {CCC} 234**)

The Trinity refers to the idea that God is one, but can be experienced in three different Persons. The word 'trinity' comes from the word 'tri' meaning 'three' and 'unity' meaning 'one'.

Catholics believe that there are **three distinct Persons** to this one God and that these three Persons form a unity. This belief is called the doctrine of the Trinity:

God the Father - the creator and sustainer of all things

God the Son - the incarnation of God as a human being, Jesus Christ, on Earth

God the Holy Spirit - the power of God which is active in the world, drawing people towards God

A useful way of understanding the Trinity is by thinking of how H₂O comes in three forms: liquid, ice and steam. These different forms are still all H₂O, just like the Father, Son and Holy Spirit are different but still God.

All PRESENT AND FORMER CHOIR MEMBERS are invited to sing with us at the Corpus Christi Mass on June 19th as we celebrate the 125th year of St. Patrick Church. Please attend practice on Wednesday, June 15th at 7 PM or practice before mass at 8 AM as we learn the Ave Verum Corpus in Latin and review prelude music. We look forward to you joining us!
