**I Found Love by Liam Lawton**

*I found love in unsuspecting places  
 In tired and worn-out faces  
 I found love, so near and yet so far  
 I found hope when it was least expected  
 When the world would not protect it  
 I found love, for love hides in every heart*

*As our world is growing older  
 There are burdens on each shoulder  
 As we try to find the place where we should be  
 When we waste away the time  
 We keep searching for the signs  
 Yet what we need is sometime very near*

*Every day brings different news  
 Different voices, different views  
 And we highlight all the difference and the blame  
 Different colour, different creed  
 All are human, all have needs  
 And within us all-a heart that beats the same*
