Prayer/Reflection: We plead through the intercession of St. Francis of Assisi, whose feast day is this month (October 4), to bring healing grace to all of God's marvelous creation and to help us to alleviate the suffering of the poor, especially those suffering from the recent hurricanes, earthquakes and fires. May we follow in St. Francis’ footsteps.

Quote from the Holy See: "Take good care of creation. St. Francis wanted that. People occasionally forgive, but nature never does. If we don't take care of the environment, there's no way of getting around it." (Pope Francis, April 2013)

Dedicated to Mary Patrick Woolf

Success

*To laugh often and love much;
 to win the respect of intelligent persons
 and the affection of children;
 to earn the approbation of honest critics
 and to endure the betrayal of false friends;
 to appreciate beauty;
 to find the best in others;
 to give of one's self;
 to leave the world a little better,
 whether by a healthy child, a garden patch
 or a redeemed social condition;
 to have played and laughed with enthusiasm
 and sung with exultation;
 to know that even one life has breathed
 easier because you have lived,
 this is to have succeeded.* Bessie Stanley
