

Corpus Christi

Eucharistic Procession

Be sure to join us for our first Eucharistic Procession through the neighborhood of St. Patrick!

In Scripture, we hear about the great crowds that gathered around Christ when He entered into towns. Those who sought healing called out to Him while He passed along the way. In great faith, people fought simply to be near Him, so sure were they that He was their help and salvation.

In a Eucharistic Procession, Christ in the Eucharist walks through the streets of our own town in our own time, filled with the same power to give life, heal, and restore.

On the Feast of the Body and Blood of Our Lord, come strengthen your own Eucharistic faith, and profess His presence to a world in need!

THE PROCESSION WILL BE HELD IMMEDIATELY
FOLLOWING THE 10:00 MASS ON SUNDAY, JUNE 14.
