**Marriage, Youth & Family News**

The Fourth Sunday of Easter is known as Good Shepherd Sunday since each year the Gospel likens the care Jesus has for us to that of a shepherd for his sheep. Today's Gospel indicates that anyone who would enter the sheep pen by climbing over the gate is not a real shepherd. The authentic shepherd uses the gate, knows the names of his sheep, and leads them in a beneficial direction. The leadership of the authentic shepherd is effective because the shepherd's voice is known. Jesus also compares himself to a gate: if you are a believer, you will receive "abundant life" though this gate. (Celebrating Sunday for Catholic Families 2016-17)

**Care for Creation Tip:**

Now is the time to plant **local native plants** in your gardens. Why? Native plants bring beauty to your gardens and preserve our natural heritage and biodiversity. They provide food and habitat for native wildlife; helpful insects (butterflies, bees, etc.), birds, small creatures. They require far less water, saving our water resources. They save time of upkeep in the garden (sweat equity) and money by not purchasing weed and insect control chemicals and making your area healthy for children and pets. Look up native plants on the internet and get a wealth of information. Take it back to God’s beautiful Creation.

**New Altar Server Training!**

There will be training for new altar servers on June 6, 7, and 8 from 10:30 - 11:30 am in the church. Pizza will be served at 11:30 am on June 8 for servers completing the training. We encourage all of our young parishioners to take advantage of the opportunity to serve Our Lord at His altar. Altar servers play an important role in the Mass, and we are looking for dedicated, reverent servers to assist at the altar.
