Today is Father's Day (USA). This secular observance must in no way diminish the primary focus of this Sunday as the celebration of the paschal mystery.

Happy Father's Day**Our Dad**

**God took the strength of a mountain,
The majesty of a tree,
The warmth of a summer sun,
The calm of a quiet sea,
The generous soul of nature,
The comforting arm of night,
The wisdom of the ages,
The power of the eagle's flight,
The joy of a morning in spring,
The faith of a mustard seed,
The patience of eternity,
The depth of a family need,
Then God combined these qualities,
When there was nothing more to add,
He knew his masterpiece was complete,
And so, he called it Dad**

Anonymous Although the author is unknown, this is a highly regarded Christian poem for Father's Day.

FATHERING May the God who FATHERS bless you; the God who protects and provides for you; the God who takes you by the hand into place as of safety as well as insecurity. May this Papa God tell and retell the story of your life to you so that you may finally come to understand God's wisdom in creating you. Then may you be one with all of creation in thanking God. May the PAPA GOD bless you.

Benefits of Eucharistic Adorations:

During our Holy Hour our souls are fed in two faculties of the spirit—the Mind and the Will. In the Mind we need light; in the Will we need strength.
