**DALMATIC:**

The dalmatic can be worn by a deacon for liturgical functions. It is distinguished from the chasuble of the priest by its wide sleeves. Frequently these sleeves are open so that they lay flat over the shoulders and arms, rather than encasing them. The color of the dalmatic is determined by the season and corresponds to the color of the chasuble worn by the priest for the occasions.

**PEACE CORNER CONFIDENCE**

May God bless you in the times of your *ambivalence*, when you are unsure and indecisive. At those moments may you reclaim the unique truth God has planted deep within you and is calling out of you. May you speak with confidence and may you trust the word of God in you that longs to have a voice. May your confidence draw out truth from those around you. May the God of CONFIDENCE bless you. *Sister Maxine Shonk, OP*
