Interested in Learning More About The Catholic Faith?

RCIA classes are starting soon! RCIA--the Rite of Christian Initiation of Adults--is a process of coming to a greater understanding of the Catholic Faith and preparing to enter the Church by the reception of the Sacraments of Baptism, Confirmation, and Eucharist at Easter. Classes will be held weekly at St. Patrick, and will begin in early September. You are most welcome! For more information, please contact Ashley Roberts at ashleyroberts.dre@gmail.com; or call the church office.

Catechist Training for all PFF catechists and assistants will be held Tuesday, August 29, from 6:30-8:30 pm, in the RCIA room. This will be a very important meeting, since we will have an overview of both the new K-8 curriculum and the new high school program, and also discuss the new archdiocesan certification program. Please make every effort to attend! Regrets only, RSVP to Ashley at ashleyroberts.dre@gmail.com or call the church office.

Ride for Life

I was fortunate to serve as chaplain for this year's Ride for Life. We rode 240 miles on bikes from the University of Notre Dame to the University of Dayton over 4 days (July 29-August 1). The ride is organized by Dayton Right to Life.

The ride raises awareness for the importance of defending human life from conception to natural death. We offered up 4 days of prayers, Masses, and a good deal of penance for the cause.

I finished this ride with an even stronger conviction that it is not enough to be pro-life; we must actively stand up and defend life. The legalization of euthanasia is spreading, and Ohio has been targeted as the next state to advance this attack on human life. It was also ironic that this ride began right after Charlie Gard's life support was removed.

I encourage everyone to pray and to take action to promote a greater respect for all human life. No matter how young or old we are, we are created in the image of God. As Christians, it is our mission to promote the sacredness of all human life!
